

Town of Geddes

HIGHWAY COMMITTEE MINUTES

December 5, 2017

Geddes Town Hall Meeting started at 5:30 p.m.

Present: Paul Trovato –Highway Superintendent

Bill Morris – Town Engineer

Susan LeFex – Town Councilor and Committee Member

Highway Committee Meeting Agenda:

- 1- Update on paving projects – waiting for money from the state – Highway Superintendent will prioritize the roads that need paving
- 2- New Truck – will be on the road week of December 13th – this truck was purchased as a result of the insurance claim from the fire.
- 3- Employment Status- remains the same
- 4- 521 S. Terry Road update – manhole cover fixed – some type of non growing vegetation will be planted in the spring-can not put retaining wall because of street structure
- 5- Bagging of leaves – discussion saved for future meeting
- 6- Winter update – equipment is set – salt is good – ready to go
- 7- Open discussion – signs are up that the town board approved – Alhan Parkway No parking after dark – Armstrong Road new speed sign 30 mph and new entering the Town of Geddes sign and new truck sign on Lakeview.
- 8- End meeting at 6:30pm

Submitted by: Ed Weber, Councilor and Committee Chair
