

Public Safety Committee Meeting

January 17, 2018

Agenda Items:

1. David Suarez has requested a short period of time to discuss the annual PWP 5K run/walk explaining the event, the route and answering any questions related to this year's fundraiser scheduled for Sunday April 8, 2018.
2. We have been asked to look into a matter brought to our attention at the January Board meeting concerning the removal of snow into the road at an Armstrong Road residence, which is causing conflict between two neighbors.
3. Fire Department will present statistics and share information concerning the properties in our town.
4. The Police Department will present statistics and share information concerning the operations in their department.
