

# **Public Safety Meeting**

**May 29, 2018**

## **Agenda Items**

**Solvay Fire Department updates: present statistics, share information and provide updates on topics concerning our community.**

**The Town of Geddes Police Department will present statistics and share information concerning their operations within the town, including updates on previous agenda items.**

**Discussion on the PBA coming to Public Safety Committee meetings.**

**Discussion on the traffic congestion effecting the 110 homes in the Longbranch area of the town when there is a large event at Onondaga Lake Park. Cars leaving the event pile up so that the residents cannot leave. The traffic light at John Glenn Blvd. is timed to allow 3-4 cars to leave at a time. Residents are concerned and request some relief from the situation.**
