

Public Safety Meeting

June 26, 2018

Agenda Items

Solvay Fire Department updates: present statistics, share information and provide updates on topics concerning our community.

The Town of Geddes Police Department will present statistics and share information concerning their operations within the town, including updates on previous agenda items.

Continued discussion on the cost of using officers to support specific events in the town with the Solvay Celebration being the next event. In the interest of fairness and equity, each event will need to be considered in terms of the time needed dictated by the nature of the event. A proposal will be drafted per event. The committee needs to decide on a policy, with a financial formula, to be presented before the town board for feedback and approval.

Updates on the Longbranch Road congestion during events.

Updates on the animal control and animal cruelty coverage for the town.

Executive Session
