

October 30, 2019 Planning, ZBA and Codes Book Committee Meeting

Present: M. Kelley, Chairman, E. Weber, J. Albrigo, D.Tortora, D. Balcer, M. Kempisty

Meeting was called to order at 6pm.

To begin the meeting there was a brief discussion of the three Codes Chapters discussed at our September meeting. The town attorney, Don Doerr has not had a chance to finalize the revisions to Chapter 185 concerning improper clearing of snow and ice, and Chapter 240 about improper sump pump discharge. He expects to have them done for next month's meeting.

Mr. Doerr has advised us that we do not need to amend Chapter 85 to include "Rubbish" on the list of obnoxious materials governed by that chapter. The reason being that Chapter 180 Solid Waste already addresses those materials. We will be discussing that chapter and its enforcement provisions at our next committee meeting.

Meeting adjourned at 6:19pm. Next meeting : Wednesday 11/20/19 at 6pm.
