Update from Highway Superintendent Paul Trovato:

- May 6, 2019 starts the Summer Hours for the Highway Department- Hours are 6AM - 2:30 PM Monday-Friday
- Starting May 11, 2019-The Transfer Station will be open Saturdays from 8 AM-12 Noon.
- Summer Help personnel will start on May 28, 2019. There will be 5 Summer Help personnel.
- Two trucks were repaired and have been completed total cost was \$21,000.00
- 5-Highway Superintendent is requesting cameras for the gas pumps which is required and a camera on the transfer station - have to find how much the cost of the cameras
- Transfer gate was broke by weather costed of the gate from Atlas \$12,795.00 - insurance will cover most of the broken gate- we are also asking the Village of Solvay for \$2000.00 to help with the cost of the gate because they used the transfer station also
- Streets to be paved in Westvale at this time are Westfall, Stoney, Parsons, and Walberta. When the weather breaks-schedule is unknown at this time. For example Stoney Drive will cost \$47,000 for 611 feet, and Parsons will cost \$80,000.
- We are pricing out Walberta and Granger.
- Wilshire needs drainage first before paving and the Town Engineer will make a diagram what has to be done with the drainage problem. Will be looking at this street in the second week of May.
- Please look at the About Town paper for further information regarding the Highway Department Services.
- Meeting ended at 5:50PM.
