

November 20, 2019 Planning, ZBA and Codes Book Committee Meeting

Present: M. Kelley, Chairman; E. Weber; D. Balcer; D. Tortora

Meeting was called to order at 6 pm.

A brief discussion was held on the status of changes being made to Chapter 185 and 240. As soon as Don Doerr has the proper wording for those chapters we will present a resolution at the next Board meeting to schedule a public hearing.

The next item up for discussion was Chapter 180 – Solid Waste. Conversation centered around how best to advise town residents of what can and cannot be put to the curb for pickup and disposal by the town. The consensus was that we need to ramp up our education of the public before we can ramp up our enforcement.

Dave Tortora said he thought he still had a copy of a sheet put out by the town that addressed those issues. He will look and get us a copy.

We agreed that we should also get the information into the town newsletter. Chairman Kelley said he would contact Debbie Morrell about what that entails.

The meeting adjourned at 6:35pm. Next meeting: Wednesday 12/18, 2019.
